

100% Arabica Beans

ARABICA DABRA

ArabicaDabra... *TASTE THE MAGIC!*

Wouldn't it be magical if every time you brew a cup of coffee from this bag, you change someone's life for the better? It's no trick. It happens every time you purchase our premium select and fairly traded coffee beans.

You strengthen our passion to support the sustainability of coffee growers that use environmentally responsible farming methods around the globe. Your patronage allows us to continue the cycle of giving by contributing livestock, bicycles, looms and other precious resources to those less fortunate in the regions where our beans are grown.

Thank you for becoming more than a coffee drinker. You're now a coffee patron, supporting this small independent business committed to helping people in need. Now THAT'S magic!

Roasted by hand in small batches and packaged in Southern California.
